Course Description: This course is a continuation from the Listening and Speaking 2 course to further improve and implement the use of English language in the areas of listening and speaking. Presentation of material followed up by practical exercises arranged from unit topics.					
Course Objectives: 1. Knowledge and skills objectives: Students will be required to practice and develop their listening and speaking skills, focusing on pronunciation, intonation, vocabulary building and applying language in real-world situations. 2. Process and method objectives: Students will experience the communicative approach to learning. Two periods each week will include the use of listening videos and audio files, discussions, activities and presentations related to textbook units. 3. Emotional, attitudinal and value development objectives: The third level to this course will last 18 weeks and students will be expected to make full use of the time we meet in the classroom. Ultimately, the willingness to learn us up to the student. Cooperation with their classmates and their teacher is paramount to getting the best use out of the course. Students will proceed to level 4 after successfully completing the course.
